

BUCKLAND

Reaching Beyond Borders

REACHING BEYOND BORDERS WITH BUCKLAND

For over 70 years Buckland has been working to help companies across the world experience global trade in a better way. As a customer-focused company, we employ a unique approach to global trade that provides you with a single source of unmatched service.

1945	Established by Harvey E. Buckland in Chatham Ontario, Buckland focused on Customs Consulting
1959	Company moves to St. Thomas to better position for growth in the manufacturing heartland of Ontario and begins customs brokerage operation
1960	St. Thomas Sufferance Warehouse opens for business offering a Customs bonded facility to manage the growing number of imports to the area
1971	Growth continues in customs brokerage and warehouse operations as international trade becomes entrenched in commercial operations
1980	Buckland acquires interest in Federated Customs Brokers Ltd., Toronto, Ontario to support a growing customer base and offer services across Canada
1987	Buckland is one of the first brokers on CADEX: Canada Customs first electronic entry processing application
1994	Buckland is a pilot participant in Canada Customs ACROSS program allowing brokers to file releases nationally in electronic format
1998	Buckland opens International Freight Forwarding & Logistics
2001	Identifying a growing trend of Canadian exporters acting as US importers, Buckland Global Trade Services Inc. begins operation in Port Huron, Michigan
2004	PIP and C-TPAT certification obtained
2005 – 2010	Expansion in US and Canada, offices opened in Windsor, Detroit, Mississauga and Laredo
2010	Buckland is certified as a Women Owned Business and recognized as a Diverse Supplier
2012	Buckland launches proprietary customs brokerage software application and expands IT offerings to customers with carrier tracking, the Client Portal and the Classification Gateway
2015	Trade Managed Services and Customs Compliance office opens in Southfield, Michigan
2016 - 2020	New warehouse and office facilities open in Mexico, Laredo and El Paso, Texas as a result of strong growth and increased demand for Southern Border services.

Since 2010 Buckland has been an active supporter of and registered women owned organization, giving its clients a competitive financial edge to include logistics in their diverse spending reporting.

Buckland's years of expertise will keep your goods moving forward. Our full service staff will be with you from border to border, providing you with comprehensive technology solutions to ensure your goods are always visible.
